### About Coach Stewart

An equestrian for over 40 years, Daniel Stewart combined his 25 years as an international coach and clinician with a degree in physical education to create an empowering and motivating series of equestrian clinics, workshops, seminars, and training camps. As the internationally acclaimed author of "Pressure Proof Your Riding", "Ride Right", and "Fit and Focused in 52" he's widely considered one of the worlds leading experts on equestrian sport psychology, athletics, and performance. He teaches clinics to thousands of riders each year, has published countless magazine articles, and is the equestrian sport psychology and rider-fitness consultant to many equestrian associations. When not teaching his clinics he coaches four-day Equestrian Athlete Camps at colleges and athlete training centers around the country and produces rider sport psychology and fitness videos.
