Because of the challenging nature of our clinic it's very important that all horses be willing and well-behaved and able to ride a full course of 6 to 8 fences without stopping. Unfortunately, horses who have a tendency to rush, run-out, refuse fences, or otherwise make their rider uncomfortable or fearful are not appropriate for this clinic.

2 day riding clinic and Symposium \$375

Auditing Mounted groups and workshop participation \$15 per day \$20 both days

Pressure Proof clinics are wonderfully enjoyable and challenging, but they're unlike any other clinic and can be a bit tricky to understand. Therefore, the 30-minute briefing is mandatory for all riders before we begin. Please plan your schedule accordingly. This is not a come and go clinic, please plan to attend for the entire day.

****Refunds: only if your spot can be filled from the wait list. No refunds after clinic has started. Ride times and clinic information will be emailed to participants**
